Welcome to Newport Harbor High School Cheer... the place where spirit is life!

The Newport Harbor High School Cheer program offers students an opportunity to...

- Become involved in and showcased at school activities, such as pep rallies, special events, Spirit Week, Battle of the Bay, and Homecoming
- Cheer at Newport Harbor’s athletics events and encourage school spirit, such as football, basketball, water polo, volleyball, lacrosse, etc.
- Learn and perform cheerleading-specific skills and techniques—dance, stunts, tumbling, jumps, cheers, gymnastics
- Earn PE/elective credits while they participate in Cheer as a class
- Become a part of a group that promotes leadership, encourages academic endeavors, fosters high ideals of character, helps students develop socially through cooperation and competition, and emphasizes the ideals of sportsmanship, ethical conduct, integrity, and accountability

Attitude, dedication, and enthusiasm are just as important as the physical skill involved in cheerleading!
