This policy applies to all acts related to school activity or school attendance within a school under the jurisdiction of the Superintendent.
What is ASB?

What is ASB?
When you ask a student what ASB is, you'll never get the same answer twice. ASB stands for Associated Student Body. In reality, every student in good standing at Newport Harbor High School is a member of the “Associated Student Body”. What we refer to when we say ASB is the group of students that is selected and elected to represent the entire student body. This is the student government of NHHS.

What does ASB do?
ASB is responsible for many objectives, three of which are:
1. Providing student activities
2. Managing the finances of the student groups on campus
3. Representing the voice of Newport Harbor students to staff, school district, and community.
These three objectives all support the #1 goal of Newport Harbor ASB: to achieve 100% student involvement at NHHS.

What does it take to be on ASB?
ASB members must be leaders. The qualities of a good leader include honesty, trustworthiness, responsibility, reliability, willingness to work hard, humility, respect for both adults and fellow students, and school pride. You must have at least a 2.0 GPA, be in good academic standing, and maintain high academic and personal standards, both on and off campus.

How does someone get on ASB?
- The ASB Executive Board is elected every spring and serves through the following spring. The executive board members are ASB President, ASB Vice President, ASB Secretary, and ASB Treasurer.
- Class officers serve for a year. Class officers represent their respective classes. Seniors, Juniors, and Sophomores elect a President and a Vice President in the spring, while Freshman elect their representatives in September.
- Commissioners are selected after the spring elections by the Executive Board. Commissions specialize in areas including technology, rallies, publicity, etc..
- All members of the student government support each other in their work and are expected to help each other in the preparation, setup, and clean up of all activities.

What if I want to be involved without being in ASB?
ASB is always looking for ways to get students involved. If you want to be in a competition at lunch, perform in a rally, help decorate for a dance, or do anything that is ASB related, please come see us in the ASB Office. That is why we are here: to help you make your experience at Newport Harbor High School better.

Even more than this, as a Newport Harbor student you have a very important power: the power to vote. When you vote, you are choosing the students who will serve you for the next year. Candidates who run for offices are usually well-known. But why are they well known? Is it because they make good decisions, are responsible, and are hard workers? Or is it simply because they look or dress a certain way, or belong to a certain group? Your dances, rallies, and activities are only as good as the ASB that plans them. Your ASB is only as good as the members you choose.

How do I find out more?
To find out about ASB’s roles and functions, getting into ASB, or getting involved in anything at Newport Harbor, ask someone who is in ASB or ask Ms. Via in the ASB Office. We are here to serve Newport Harbor High School. That’s our Job. That’s ASB.
