Thank you for your interest in being a part of Ensign’s yearbook staff. Please fill out this application to help us learn a little about you and decide if you are the right person for this job.

Why do you want to be on the yearbook staff and why do you think you would be a good choice for the job?

What specific skills (writing, photography, computer, drawing, graphics, video, etc.) do you have that you think would be useful in creating a yearbook? Please explain what you know how to do (Photoshop, cameras you use, etc.) in any of these areas. It’s ok if you don’t know any of this yet, we’ll teach you!

List the extra-curricular clubs/sports you think you will be involved in next year (we love to have people on staff who play sports, are in clubs and activities – it makes it easier to cover them!):

There is an expectation that you will be able to cover events (games, concerts, club meetings, dances, etc.) that occur outside the school day. Is there any reason that you would not be able to do this?

We start planning our yearbook (cover design!) at a workshop in Anaheim on the last day of school: June 21, 22 & 23, 9am-3pm. This is free if you are invited to join our staff! Please circle yes or no for each question below:

I could attend: Yes   No  
My parents can get me there and pick me up: Yes   No

I understand that Yearbook takes the place of my SSR class. I understand that I will not usually be able to use period 6 for homework or tests because creating our book is a full-time job. Please circle and sign below:

YES       NO

student

The student named above is applying to be part of next year’s yearbook staff and has asked you to recommend him or her. I am looking for a small group of very conscientious students; please help me choose wisely!

This student turns work in on time: Always Usually Sometimes Rarely

I would call this student “dependable” (works independently and is not absent excessively): Yes Maybe No

This student’s writing is: Excellent Good with editing Needs work

This student is a leader in the classroom: Yes Has Potential No
